This third release is probably also the best in all the 3DO related releases from mid 1990's to mid 2000's.. The concept is the same: As a player, you start as a hero who's been attributed a town with a small army and each turn, you can move yourself across the land, claim resources and treasures you find, battle against ennemy foes and possibly other heroes for more power and/or to obtain unique magic items that aid you in your quest to conquer the whole territory and cleanse it from other tribes.. The more ennemies you vainquish, the more experience points you get and your power grows accordingly.
